It is estimated that three of the lead- ing steel plants in the Chicago dis- licit are now using 33.1-3 per cent more oil than they did formerly. The outlook in the oil market is there-	the Mooney farm in the northwest corner of the northwest of 17-27-1e is making a tremendous flow of 45 barrels an hour at a depth of 3.265 feet. The John Welch No. 19 in the	PONCA CITY Okia. May 2.— Moses Dial and William Scribner of Caldwell, Kan., who have assembled \$.000 acres of leases in Fairview township of Grant county, have con- tracted with A. Griggs and M.S. Wilson of the Tolian Drilling com- pany to put down a test to a depth	T. Stewart, resigned Mr. Ginopranonous his assistants. J. N. O'Day, superintendent of transportation; R. W. Robertson, traffic representative, with different pol Conway Fide. Chicago. Thomas White of the White Off corporation received word yesterday that the Roberts No. 2 in the Burk-	NICHOLA TRANSFER AND	
	Bull Bayon 2.13 Item#1 5.50 Retiners report following prices: 15-48 Gasoline 34c 15-48 Casoline 34c 15-48 C	fore a matter of considerable interest at the present time. Formerly fuel oil declined in the summer months and undoubtedly the expectation of a repetition of the performance of past years accounts for the extreme caution now shown by large buyers. Faul expertence, however, is no criterion of what will happen this year. The available summy of fuel oil	rels an hour at 2,050 feet in the Strawnisher sand. The discovery of this new sand creatly enhances the value of the properties in this field, and four new tests have been started on the two leases above mentioned. 850 Barrels for the Atlantic	will be on the Homer Long farm one mile west of the test skilled three years ago on the Lewe farm, in which several promising sands	burnett field is in and making 1,809 barrels. Mr. White has been notified by his afterneys that none of the Roberts lease is in the disputed area. Mr. White is asking "a there any merit in this contention?" and among the oil men has received only hegative replica. 1. T. Wilson, representing the Globe Seamless Steel Tubes Co. of	Investment	
Parket I	With three wells producing more than 7,000 barrels. Waite-Phillips has undoubtedly the best lease in Okishoma. He has deepened his No. 2 Jane Reid farm located in the northwest corner of the southeast of 22-14-11 to a total of 2,400 feet in	is 40 per cent less than the demand. The bulk of the fuel oil from the mid-continent field comes from the amaller refineries which confine their output to gazoline and fuel oil to Describer 1919 when the whole	No. 10 Bearhead in 19-15-11 at last repeat is making \$50 barrels at 25 feet in the sand, total depth 3,094. No. 8 on the same lease is on top of the Wilcox and and will be drilled in shortly.	the southeast southeast of 29-18-16 is making five barrels of oil after being shot with 20 quarie. Same recompany's No. 7 Cole in the north-	HOUSTON, FIBLE & COMPANY Of Kansas City, Mo. MEMBERS NEW YORK STOCK	Securities	

has undoubtedly the best lease in Okiahoma. He has deepened his No. 2 Jane Reid farm located in the northwest corner of the southeast of 12-14-11 to a total of 2,400 feet in the sand and the well is making 120 cents per gallon because of the surport the fact that the No. 3 is on top of the sand and is likely to be drilled in today is evidence sufficient to show that Mr. Phillips is entitled to the honor and slory of having the best lease in Okiahoma.

The best part of it is that there are no stockholders to divide with.

OIL AND GAS

For Sale—Commercial lease, Kangas producers' forms 88, no drilling clause, 240 acres twp. 77, R. 20 cast. Neesho county, Kan. Recommend property to purchaser who wishes to develop shallow sand lease to a very good advantage comparing the cost.
